Times of the tide are taken from the U. S. Coast and Geodetic Survey tables. The tides at Kahului and Hilo occur about one hour earlier than at Honolulu. Honolulu standard time is 10 hours 30 minutes slower than Greenwich time, being that of the meridian of 157 degrees 30 minutes. The time whistle blows at 1:30 p. m. which is the same as Greenwich, 0 hours, 0 minutes. The Sun and Moon are for local time for the whole group.

## THE LOG-BOOK

The Copenhagen correspondent of the London Daily Telegraph states that Mr. Stirling Larsen, a Norwegian engineer, has invented an apparatus by which it is possible to use wireless telegraphy in preventing collision at sea.

The apparatus is combined with the ship's fog-horn or light signal apparatus, and the signal is intercepted by an on-coming ship's receiver, which also indicates the distance between the vessels. Mr. Stirling Larsen's apparatus can also be applied to lighthouses.

Mr. George S. Dearborn, president of the American-Hawaiian S. S. Co., said "Hawaii had enjoyed this year the full measure of prosperity predicted for it a year ago."—Shipping Illustrated.

Three Japanese fishermen from Hanapepe had a hard time last week, being blown out to sea in their sampan and only being rescued off the shore of Niihau by one of the lunas on the Gay Ranch. They were gone seven days from Hanapepe before they were heard from and had been given up for lost.

The American-Hawaiian steamer Pleiades is due here tomorrow from San Francisco with a big cargo of freight. It will be discharged immediately and she will sail for San Francisco direct with sugar on April 2. The Virginian is due from Seattle on Saturday and will bring the lumber for the Alakea street dock.

The Committee of Lloyd's have decided to bestow the silver medal of the society upon Miss Kate Gilmour, stewardess of the steamer Sardina, which was destroyed by fire off Malta on November 25, as an honorary acknowledgment of her exertions in contributing to saving life on that occasion. This is the first occasion on which Lloyd's medal for saving life at sea has been bestowed upon a woman.

The quarantine regulations of Great Britain affecting the entry of dogs into the kingdom are very stringent and the formalities involved entail a considerable expense upon the owners. It often happens that dogs are mercilessly put to death by the British authorities because the owners cannot pay quarantine expenses. This is especially the case with shipwrecked sailors. It should therefore be noted that the National Canine Defense League, 27 Regent street, London, will assist the owners of dogs (sailors or otherwise) who are too poor to defray quarantine expenses.

The Canadian government authorities have a sum amounting to \$43,000 in their hands for which they are looking for owners. The money was paid by the Russian authorities on account of the illegal seizure in the Bering Sea some years ago of the sealing schooner "Carmelite" and "Vancouver Belle." The latter was broken up at Vladivostok several years after her seizure in 1892. The claim for damages was established after long drawn out litigation, and the Russians paid over the \$43,000, which the Canadian government is now anxious to distribute to those entitled to the money. The men of the crews will be paid first, and an effort is now being made to locate them. So far the names of only five have been secured, and of these two are dead.

## THE BEST REMEDY

For Women—Lydia E. Pinkham's Vegetable Compound

Noah, Ky. — "I was passing through the Change of Life and suffered from headaches, nervous prostration, and hemorrhages. Lydia E. Pinkham's Vegetable Compound made me well and strong, so that I can do all my housework, and attend to the store and post-office, and feel much younger than I really am. Lydia E. Pinkham's Vegetable Compound is the most successful remedy for all kinds of female troubles, and I feel that I can never praise it enough."—Mrs. LIZZIE HOLLAND, Noah, Ky.

The Change of Life is the most critical period of a woman's existence, and neglect of health at this time invites disease and pain. Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. For 30 years it has been curing women from the worst forms of female ailments—Inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, and nervous prostration. If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.
